We work hard to keep tuition as low as possible while maintaining low student-teacher ratios with highly qualified and Montessori certified teachers. Children's House does not have a tuition deposit. Rather, 1/10th of total tuition is due in April preceding the academic year.

Children's House is a not for profit organization. We use all tuition to provide education for our students. Thank you to all our parents, volunteers, and PTO for creating a wonderful environment for our children and for helping us to keep tuition as low as possible.
